7 DRAMA ISLAND

But the "Double Negative" was a role for Billy. And so was the "Double Negative" with Billy Mandou, and George. The PARTY issue #51 (with "Double Negative" and "The Party" by George).

A stylized illustration of a girl with a large, colorful, abstract headpiece that resembles a flower or a piece of fabric. She has a yellow face, black hair, and is wearing a blue dress over a white shirt. The background is a light, textured surface.

A photograph of three young children standing side-by-side and smiling. The child on the left is wearing a striped shirt and dark pants. The child in the middle is wearing a light-colored shirt and dark pants. The child on the right is wearing a red shirt and dark pants. They are standing in front of a plain, light-colored background.

A painting of a city skyline with several tall buildings. The sky is blue with white clouds, and a bright yellow sun or moon is visible in the upper center. The painting is done in a style that uses a limited color palette, with a focus on the yellow and blue tones.
